DAY 2

REYKJAVIK - HELLA

(Meals On Board, Dinner)

Kick off the day with a Reykjavik city tour, which starts with Perlan (The Pearl) – a fantastic dome-shaped glass building supported by six massive water tanks, with an impressive water feature that runs from the basement into the atrium. Then, visit the beautiful Höfði House and the Hallgrímskirkja church, where you can admire the novel design of the Lutheran parish church tower and the Leifur Eiriksson statue situated at the front. Visit an Icelandic horse stable for a unique horse-riding experience surrounded by beautiful nature, before we transfer to the hotel. Head towards South Iceland tonight for a chance to catch the Northern Lights without any light pollution from the cities. You might be lucky enough to spot the Northern Lights dancing across the clear night sky just outside your accommodation.

Next, drop by the Diamond Beach, which gets its name from the ice chunks fringing the sea. Then, make your way to our last stop - Svartifoss Waterfall. Literally translated as 'the Black Waterfall' due to the surrounding dark lava columns, Svartifoss remains one of the most incredible and glorious waterfalls in Iceland.

今早开车前往杰克莎隆冰川湖，抵步后将乘船游览冰山湖，欣赏千年的冰山漂浮于湖上，接下来前往钻石海滩，寻访漂于沙滩上的冰块，接着驱车前往史瓦第沛瀑布，传说中的“黑瀑布”，今晚夜宿于南海湾区域的酒店（早，晚餐）

Arrive at the black sandy shores of Reynisfjara Beach, where you can enjoy a leisurely stroll to see the magic of nature in the form of the black basalt columns stacked into pyramid shapes. We will then make our way to Skogafoss Waterfall, one of the biggest in the country. Due to the amount of spray that the waterfall consistently produces, a single or double rainbow is easily visible on sunny days. After which, set off on a scenic drive to view more of Iceland's natural beauty with a stop at the unique Seljalandsfoss Waterfall - a narrow cascade plunging over a 60-metre-high cliff. Tonight, indulge in an Icelandic Lobster meal before returning to our accommodation.
